## Tales of the Cosmos

UCBeast, 8 p.m. \$5.

The mega-vulnerable, ultra-sweetheart storyteller (and 17-time Moth StorySLAM winner) [Adam Wade](#) hosts this monthly show, featuring some of the best storytellers in the city. Ladies: please do not go to this show if you are currently seeking someone to love. Because Adam Wade will become that person. Sweet, despairingly honest, and just so damned **FIXABLE**, we assume Wade is the personal project of at least a dozen ultra hot East Village poet-sculptors. Want to get in line behind them? Be our guest.
